

Dear Parent/Guardian

Further to my updates regarding COVID-19, I am writing to notify you that today I have had to make the difficult decision to postpone the Year 12 College Ball. I have been instructed by the Department of Education to enact "sensible social distancing measures. Events where large static crowds are convened should be cancelled. Generally speaking, a static gathering is where people are together in an area for a period of approximately two hours." As the College Ball clearly falls within this definition I am left with no choice in the matter.

I understand that this will put people in difficult situations and can only encourage you to contact any bookings you may have and supply them with this letter in a hope they will transfer these bookings.

We have confirmed with Joondalup Resort and all other suppliers for the ball that the Ashdale Secondary College Ball has been postponed until Friday 26 June. Any further information will be communicated with you as it becomes available.

Kind regards
