

Dear Parent/Guardian,

RE: Coronavirus (COVID-19)

This morning WA Premier Mark McGowan announced that as of Monday 30 March, all families are encouraged to keep their children at home if they have the capacity to do so. The College's online learning platforms and the Department of Education's Learning at home website are available to all students.

Ashdale Secondary College will remain open from Monday 30 March with formal classes ceasing at the end of the school day on Friday 3 April.

Staff at Ashdale Secondary College will use this time to plan and prepare for the continuity of the curriculum for Term 2; this work will continue throughout the school holidays. Students still needing to attend the College in the four days before Easter will be provided with supervision.

In response to the Premier's announcement as of Monday 30 March, all formal assessments will be suspended until further information is available for Term 2 curriculum delivery.

I will continue to provide updates to the community as further information becomes available.

Kind regards

Kylie Bottcher
Principal
