An Independent Public School

Dear Parent/Guardian,

I am writing to inform you of changes we are making to gatherings at Ashdale Secondary College to minimise the number of students and staff impacted should there be a person in our College community who unknowingly may be COVID positive.

The Chief Health Officer has advised that schools should limit in-school gatherings of students and staff to class groups or small groups within a year level. This is to minimise the number of students or staff impacted by the presence of a positive case.

At this stage, it is not necessary for us to postpone or cancel some events, such as interschool carnivals, camps, or school balls. As previously announced, further public health measures may be stepped up in line with high caseloads in the community, which WA is not yet experiencing.

We will continue to provide your child with quality teaching and learning as we take sensible and proportionate actions to respond to the changing environment we are living in with COVID-19.

If you have any questions, please do not hesitate to contact the College.

Yours sincerely,

Jacquie Bogunovich  
Principal
