| DAY | CLUB | What's it all about... | Who | Where |
|-----|---------------------------|--|--------------------------|------------------|
| Mon | Minecraft | If you love Minecraft or would like to use the computers for some schoolwork or just like a quiet chat with like-minded students, come and join Miss Butcher and Miss Linto in IT Lab1 on Mondays, Wednesdays and Fridays. | Mrs Butcher | IT Lab 1 |
| Tue | Skittles | <p>During the meeting, we offer the following opportunities:</p> <ul style="list-style-type: none"> • Meet and form connections/friendships with other students in a safe and inclusive environment. • To gain greater knowledge around LGBTIQ+ issues from professional sources. • To support any student concerns/worries. • To support awareness-raising days. • To have some fun!! | Ms Diamond Mrs Meyers | GLA 8E |
| | Sustainability | It's easy to be green; join the Recycling Program! Hand out rewards to students who do the right thing by putting their empty drink containers into the collection bins. Decide where to spend the money collected from the Cash for Containers scheme. Help make Ashdale beautiful. | Ms Farnay | Creative Lab |
| | Mendel's Garden | Help maintain the garden beds, plant and water, make friends and even read a book in this peaceful environment. If you are interested in a particular project, please come and share your ideas. | Mr Donald | Mendel's Garden |
| Wed | Art Club | The Art Club is an opportunity for budding artists to meet other creative people and develop different skills and techniques in all things Art. So, if you have an interest or a passion for Visual Arts or just want to be creative, come and join Mr Iqbal on Wednesday lunch in Sculpture 9. | Mr Iqbal | Sculpture 9 |
| | Minecraft | If you love Minecraft or would like to use the computers for some schoolwork or just like a quiet chat with like-minded students, come and join Miss Butcher and Miss Linto in IT Lab1 on Mondays, Wednesdays and Fridays. | Miss Linto | IT Lab 1 |
| Thu | Chess | <p>CHESS... Fight for your KING! Opening moves, middle games, end games... this is CHESS WAR! Will you sacrifice your KNIGHT to create a discovered attack on the opposing Queen with flair, or will you defend every position to an excruciating DRAW?</p> <p>Be part of ASC CHESS CLUB! Be part of the action! Bring your BEST chess game, your CALCULATING chess mind, and your DEEP chess psychology to the club! Compete and be ready to be crowned KING or QUEEN... only until some pawn takes it all away!.</p> <p>Join us in GLA 8L every Thursday to share your CHESS passion. Learn and improve your chess skills. Teach others how to make better openings, and tactics to use in the middle game... and show us how you win end games!</p> | Mr Patel | GLA 8L |
| | Robotics | The Ashdale Robotics Club is great for building robots and working with others. The Club will be working on designing and building a robot to compete in the WA Robotics Playoffs. You will use the tools and machines within the D&T area and work with students from all year levels as the robot is designed, prototyped and prepared. | Mr Warwick | D&T Metalwork |
| | Creative Lab and Projects | <p>Have you ever... Wandered past the Creative Lab when you've visited the Learning Hub and thought that you'd like to know more about it?</p> <p>Wished there were projects you could do or things that you could explore or create at school that you don't get a chance to do in your usual classes?</p> <p>Wanted to build 3D models and print them, use Photoshop or Illustrator, make things with tools, design and print stickers, code electronics, build circuits or robots, or make things on a laser cutter?</p> | Mrs Yates | Creative Lab |
| Fri | Crafting | Calling all creative minds, the crafting club is back again! Whether you have crafted before or if this is your first time giving it a go, this club is for you. So bring along a crafting project you are working on or drop in to learn how to design and construct a range of paper crafts (i.e. cards, flowers, gift boxes) and vinyl crafts using your computer and a Cricut (pronounced cricket) machine. See you there! | Mrs McKenzie | Creative Lab |
| | Minecraft | If you love Minecraft or would like to use the computers for some schoolwork or just like a quiet chat with like-minded students, come and join Miss Butcher and Miss Linto in IT Lab1 on Mondays, Wednesdays and Fridays. | Mrs Butcher | IT Lab 1 |
| | Media | Do you Like taking photos or trying your hand at making your own film? Do you wish you had the opportunity to learn new skills and improve your photos? Come along to the Media Team Club on Friday lunch for the opportunity to learn new filming and photography skills. No experience is needed! You will also get the chance to participate in the College media team. | Mr Patterson | Media C |
