

LUNCH CLUBS

DAY	CLUB	What's it all about...	Who	Where
Mon	Minecraft	If you love Minecraft or would like to use the computers for some schoolwork or just like a quiet chat with like-minded students, come and join Miss Butcher and Miss Linto in IT Lab1 on Mondays, Wednesdays and Fridays.	Mrs Butcher	IT Lab 1
Tue	Skittles	During the meeting, we offer the following opportunities: <ul style="list-style-type: none">•Meet and form connections/friendships with other students in a safe and inclusive environment.•To gain greater knowledge around LGBTIQ+ issues from professional sources.•To support any student concerns/worries.•To support awareness-raising days.•To have some fun!!	Ms Diamond Mrs Meyer	GLA 8E
	Drama	Drama club is an extracurricular activity designed to engage students in the performing arts and theatre. Students will learn acting and devising skills, work on building sets, making props, designing costumes and makeup. We will be looking to devise short scenes from well-known texts and plays, as well as the creation of original works.	Ms Segall	Theatre
	Mendel's Garden	Help maintain the garden beds, plant and water, make friends and even read a book in this peaceful environment. If you are interested in a particular project, please come and share your ideas.	Mr Donald	Mendel's Garden
Wed	Art Club	The Art Club is an opportunity for budding artists to meet other creative people and develop different skills and techniques in all things Art. So, if you have an interest or a passion for Visual Arts or just want to be creative, come and join Mr Iqbal on Wednesday lunch in Sculpture 9.	Mr Iqbal	Sculpture 9
	Minecraft	If you love Minecraft or would like to use the computers for some schoolwork or just like a quiet chat with like-minded students, come and join Miss Butcher and Miss Linto in IT Lab1 on Mondays, Wednesdays and Fridays.	Miss Linto	IT Lab 1
Thu	Chess	Be part of ASC CHESS CLUB! Be part of the action! Bring your BEST chess game, your CALCULATING chess mind, and your DEEP chess psychology to the club! Compete and be ready to be crowned KING or QUEEN... only until some pawn takes it all away!. Join us in GLA 8L every Thursday to share your CHESS passion. Learn and improve your chess skills. Teach others how to make better openings, and tactics to use in the middle game... and show us how you win end games!	Mr Patel	GLA 8L
	Robotics	The Ashdale Robotics Club is great for building robots and working with others. The Club will be working on designing and building a robot to compete in the WA Robotics Playoffs. You will use the tools and machines within the D&T area and work with students from all year levels as the robot is designed, prototyped and prepared.	Mr Warwick	D&T Metalwork
	Creative Lab and Projects	Have you ever... Wandered past the Creative Lab when you've visited the Learning Hub and thought that you'd like to know more about it? Wished there were projects you could do or things that you could explore or create at school that you don't get a chance to do in your usual classes? Wanted to build 3D models and print them, use Photoshop or Illustrator, make things with tools, design and print stickers, code electronics, build circuits or robots, or make things on a laser cutter?	Mrs Yates	Creative Lab
Fri	Board Games	Come to the board game club to play your favourite board and card games!	Mr Radaich	GLA 4A
	Lego	Come along and build one of our many sets or create something from scratch. We have sets that include Minecraft, Star Wars, Harry Potter, Friends and more! Everyone is welcome, so grab your lunch, grab a friend, and join us!	Mr Trpenov	GLA 5D
	Minecraft	If you love Minecraft or would like to use the computers for some schoolwork or just like a quiet chat with like-minded students, come and join Miss Butcher and Miss Linto in IT Lab1 on Mondays, Wednesdays and Fridays.	Mrs Butcher	IT Lab 1
	Media	Do you Like taking photos or trying your hand at making your own film? Do you wish you had the opportunity to learn new skills and improve your photos? Come along to the Media Team Club on Friday lunch for the opportunity to learn new filming and photography skills. No experience is needed! You will also get the chance to participate in the College media team.	Mr Patterson	Media C
