"Achieving a Positive Future"

ASHDALE SECONDARY COLLEGE  
NETBALL ACADEMY

Ashdale Secondary College identifies, acknowledges and fosters its students' strengths. To embrace this philosophy, the College offers a Netball Academy that encourages students' passion, commitment and skill in Physical Education.

Students in the Academy have the desire and commitment to improve their skills, game play and fitness to excel within the sporting arena. They proudly represent Ashdale Secondary College and are positive ambassadors for the Academy and the College.

We aim to provide an avenue for your child to achieve excellence in their chosen sporting domain. Students within the Academy will focus on Netball for two sessions of Physical Education each week. Students will have the opportunity to build on their passion for the sport through the development of skills, fitness, strategies, tactics and officiating.

Throughout the program, students will have exposure to coaching experts and guest speakers, opportunities to attain coaching and umpiring qualifications and work with younger athletes from the Cluster primary schools. Students interested may be required to complete a trial process to become part of the program.

The ASC Netball Academy's focus is not only on physical skills but also on developing social and interpersonal skills and a sense of belonging to a team and the Ashdale Community. Students from Year 7 are given the opportunity to represent ASC as spectators at State and National games.

Students in the Academy should aim to meet the following criteria at all times:

- Be a leader in the College and a positive role model to peers.
- Demonstrate outstanding attendance, behaviour and performance in all faculties across the College.
- Display a high level of organisation, punctuality and independence.
- Represent the College in SSWA Carnivals and Indoor Competitions.
- Wear appropriate uniform for Academy lessons, ie. PE sports uniform and netball shoes.
- It is recommended for students to play netball outside of school for a club.

Students in the Academy will have the opportunity to play at a regional or state level, and take part in several activities and courses to grow their skills:

	Team-building Excursion
<b>Year 7</b>	SSWA Netball Carnival Multicultural Netball Carnival
	Fever Netball Game
<b>Year 8</b>	SSWA Netball Carnival WDNA Umpiring Course Multicultural Netball Carnival
	WANL Netball Game

<b>Year 10</b>	Sports Science Course Cluster Coaching Clinics Specialist Fitness Sessions Five-Day Netball Tour

### Netball Trials - Term 3

**Wednesday, Date TBC | 3 pm - 4.30 pm**

Interested primary school students must attend a trial at Ashdale Secondary College at 3 pm on the designated Wednesday.

The trial will take approximately one (1) hour and 30 minutes. Any students injured or unable to attend on the trial date will be viewed during Transition in Term 4. Acceptance letters will be issued in Term 4.

For further information, please get in touch with Jaime Dastlik - Netball Academy Coordinator at (08) 6207 1300 or [jaime.dastlik@education.wa.edu.au](mailto:jaime.dastlik@education.wa.edu.au).
